

## **SGA Mission and Vision Statements**

### **Mission Statement**

The Student Government Association shall strive to enhance the quality of student life. We shall effectively represent student concerns to the Board of Trustees within Embry-Riddle as well as the university administration.

### **Vision Statement**

The Student Government Association will achieve the goals of the mission statement by seeking and acting upon student concerns using all available resources. We shall effectively delegate responsibilities and maintain accountability for those responsibilities while using efficient lines of internal and external communication.
